

Racial Equity Resources

In keeping with our commitment to racial equity, we offer the following resources to support ECF members with their ongoing learning on racial equity issues. This collection of resources comes from ECF and Leadership Team member recommendations and/or trusted websites (e.g., Northern CA Grantmakers). The resource suggestions have not been individually vetted by the Leadership Team. We welcome ECF member contributions to this list (from reliable and/or personal-use sources) as well as comments about any of the resources listed below. Please reach out to Fran Biderman, Executive Director, at earlychildhoodfunders@gmail.com with any resource suggestions and feedback.

We hope that these resources provide you with additional learning opportunities as you explore ways to create greater racial equity in your foundation and with your grantmaking.
